Nancy Sheehan: CDBG having meetings for neighborhoods on 7/18 from 6:00 – 7:00 pm. Nancy doesn't know any of the specifics for this meeting or funding priorities. In the past we have gotten sidewalks and drainage repairs/upgrades.

Committee Reports:

Property Standards: Tonya Hollifield, nothing new to report. There have been no new problems as far as the transitional/chem-free house.

Public Safety: Melisa Clark, wants to work on neighborhood watch program. Try to get a good phone tree/email tree so that we can report back to Victoria at the Police Dept. Also, this past Saturday had Coffee with a Cop. This is a good opportunity to get involved in community engagement. There will be at least one more of these events this year.

Harold Payne went to the Coalition of Greater Little Rock Neighborhoods meeting Saturday, July 9<sup>th</sup>. The discussion was on crime and the police presence in LR and the on-going issues in this area.

The meeting was adjourned.

Respectfully Submitted,

Sophie Mitchell, for Amy Pritchard
